

#PCUKStudyDay

PERT and pancreatic cancer

18th June 2026

9:00 – 11:00am

Via Zoom Webinar

#PCUKStudyDay

Welcome and introduction

Lisa Woodrow

Pancreatic Cancer Specialist Nurse, Pancreatic Cancer UK

Agenda

09.00 – 09.05

Welcome – Lisa Woodrow, Pancreatic Cancer Specialist Nurse, Pancreatic Cancer UK

09.05 – 09.10

Lived experience

09.10 – 10.15

PERT and pancreatic cancer, Mary Phillips, Senior Specialist HPB Dietitian, Royal Surrey County Hospital NHS Foundation Trust

- Pancreatic Exocrine Insufficiency (PEI)
- Treating PEI with PERT

10.15 – 10.30

Commonly asked questions - Mary Phillips, Senior Specialist HPB Dietitian, Royal Surrey County Hospital NHS Foundation Trust

10.30 – 10.55

Q&A

10.55 – 11.00

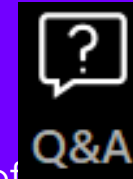

Close

Learning objectives

- Increase your knowledge and understanding of pancreatic exocrine insufficiency (PEI) in pancreatic cancer
- Increase your ability to recognise and diagnose PEI
- Increase your knowledge and understanding of pancreatic enzyme replacement therapy (PERT)
- Grow your confidence in advising your patients on effective use of PERT and troubleshooting common issues
- Stay up to date on the latest PERT shortage guidance and where to find further support

Housekeeping

- **Hashtag:** #PCUKStudyDay
- **Q&A:** please send your questions in via the Q&A box at the bottom of your screen.
- **Chat:** please send general comments and messages through the Chat box at the bottom of your screen. Please don't post your questions here just in case we miss them.
- **Subtitles:** If you'd like to view the subtitles for this event, you can select the 'Show captions' button in the banner at the bottom of your screen. If you click the little arrow on the top right of that button you can adjust caption settings to change font size and colour.
- **Attendance:** if you're watching with colleagues, let us know who else is watching with you – send a direct message to 'Host and panelists' sharing their name, role and email address.
- **Event resources:** the recording and slides from this session will be shared after the event. We'll send you an email when they're ready.
- **Feedback:** at the end of the event, we'll share the feedback form with you. Please fill this in as your feedback helps us in planning future events. You'll receive your certificate of attendance to download at the end of the form.

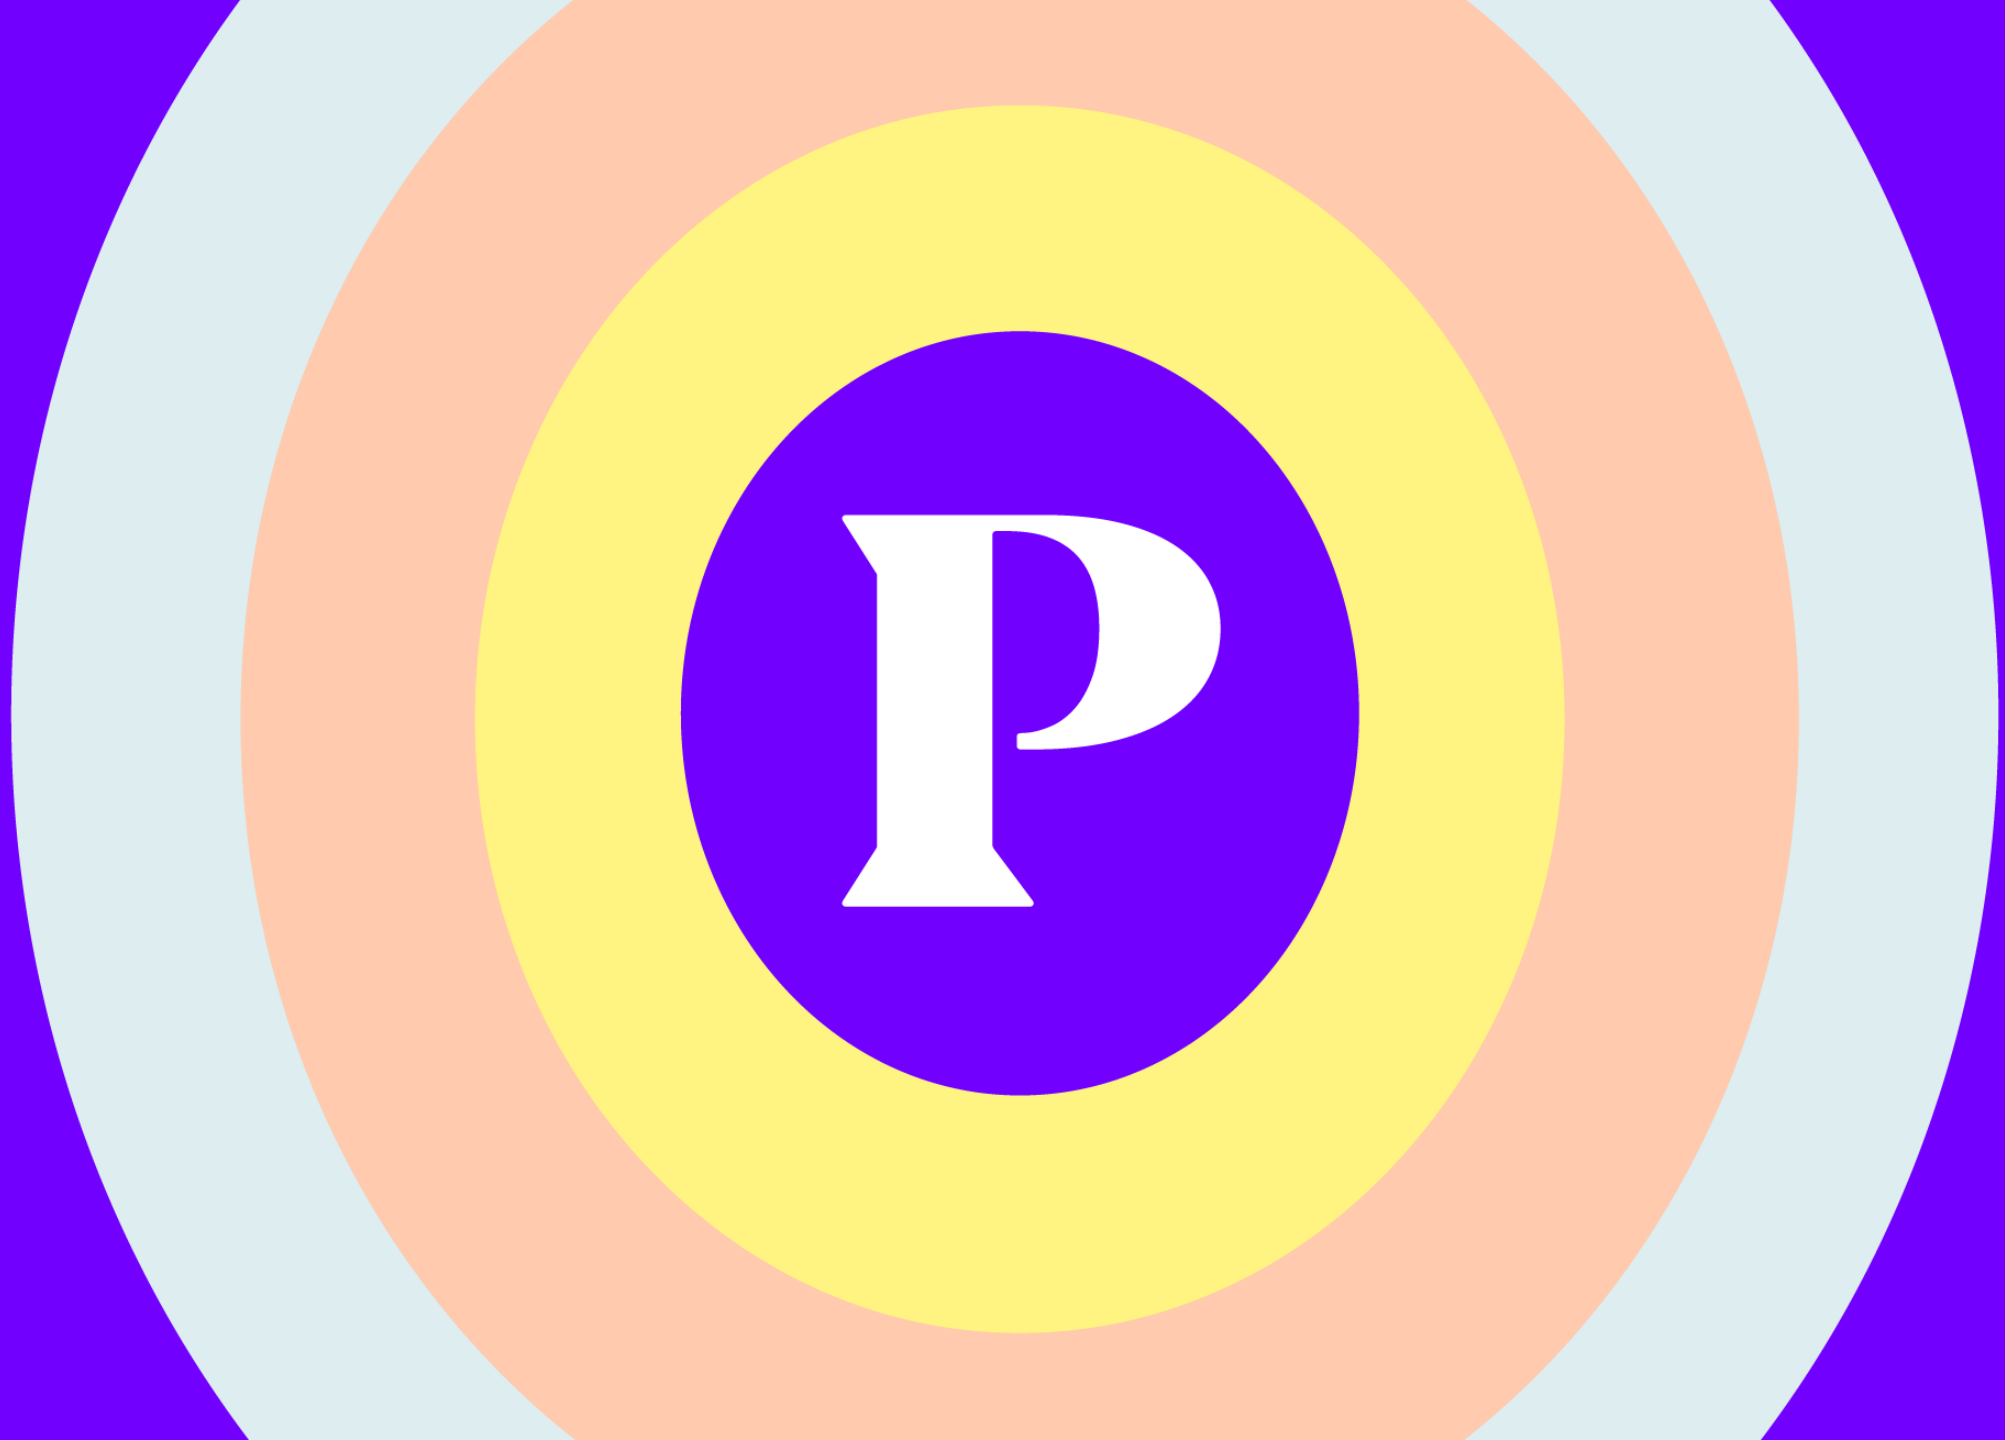

Cathy

My name is Cathy Moore Morgan.

Diagnosed with pancreatic cancer in 2023

#PCUKStudyDay

Commonly asked questions

Commonly asked questions

Do patients need to take PERT with any
alcoholic drinks?

Commonly asked questions

Do patients need to take PERT with
supplement drinks?

Commonly asked questions

Can patients use **vegetarian** or **vegan** alternatives to PERT?

Commonly asked questions

Is it advised to routinely take
multivitamins?

Commonly asked questions

How is **PERT best taken** when patients are using **enteral feeding**?

Commonly asked questions

Thinking about **diabetes management**, will taking PERT **impact blood sugar levels**?

Commonly asked questions

Why is there a PERT shortage? And what is the **current guidance?**

Help us build the
BIGGEST
EVER PICTURE
of pancreatic cancer care.

What percentage of people with pancreatic cancer are prescribed PERT?

Our new patient registry, The Big Picture, will help answer this question and more.

Together, we'll build the evidence we need to improve diagnosis, treatment and care for people facing pancreatic cancer.
